I Am That I Am

Peter Tosh

I'm not in this world
To live up to your expectations
Neither are you here to live up to mine, yeah

I don't owe no one
No obligation
No I don't mean none
So everything is fine, fine

[Chorus:Repeat x4]
I said I am that I am
I am I am I am

Don't underestimate
My ability
Don't definite my character
Don't belittle
My authority
It is time you recognized my quality

[Chorus]

Learn to love
To love your brother
Don't covet your neighbor

Flee from the city
It's getting shitty
It is full of out-a-quity(Inequity)

[Chorus]

I am the rock of the ages
You cannot move I at all
I am the son of lightning
You cannot move I at all
Son of Jacob
Cannot move me at all
I am the son of Moses
You can't move I at all

I am the son of David
You cannot move I at all

I am a firm ripe diamond
You cannot move I at all
You could a shed more tears
You cannot move I at all

You could a full of evil
You cannot move I at all
You could a try more nuttin'
You cannot move I at all

And you can try make a something
That can't move I at all
And could a come with ism
You can't move I at all

And could come with skism
That can't move I at all
