Thurston Moore

[Miranda]
Hi Thurston Moore, this is Miranda from the Midget Stooges
Ahm we... we've just recorded some new songs
And I was wondering if you'd like to hear them
They might be good on single
Could you call the school please

[Thurston]
Sister madness happy sad kiss - came today
Holding court on a fuzzy mattress - wails away
Mister muscle man you've got to - stop and think
That there was a time when god was - dressed in pink
System chaos porno hate boss - magic cries
Power freak afraid to speak if God - decides
So long live Tyler and yeah Jay Jagger - I know they can
Marital trauma oh poor Madonna - I'm the man
Hello fucker meet yr maker sick - and stained
Queen bee and her pals are not the ones - to blame

Will you kill yr boyfriend for me - sister dear
I implore thee I out score thee - free and clear
Queen bee queen bee can't you see me - in your mirror
