

# How Many Times

## Lil' Mo

Ooh, oh, oh, yeah Why you got to make this hard?  
All the time so difficult  
When I'm just trying to get you to notice me Since I can't hold you accountable  
For the feelings that I feel  
I'll hold you responsible  
'Cause I know that you can see How many times I've got to say it?  
How many times the DJ gotta play it?  
How many letters would it take to make you understand? How many times I have to reason?  
Baby, so you'll know that I need ya  
All that I say, how many times?  
Baby, how can I make you realize? Requested songs on the love line  
Dedicate 'em all to you  
I know that DJ's probably tired of me by now Since I can't hold you accountable  
For the feelings that I feel  
I'll hold you responsible  
'Cause I know that you can see, baby How many times I've got to say it?  
How many times the DJ gotta play it?  
How many letters would it take to make you understand? How many times I have to reason?  
Baby, so you'll know that I need ya  
All that I say, how many times?  
Baby, how can I make you realize? Baby, can't you see I love you  
Everyday I try to show you, oh, yeah, oh  
Baby, don't you walk away from me  
'Cause I could be your everything  
All of me, all love has to bring How many times I've got to say it?  
How many times the DJ gotta play it?  
How many letters would it take to make you understand? How many times I have to reason?  
Baby, so you'll know that I need ya  
All that I say, how many times?  
Baby, how can I make you realize? How many times I've got to say it?  
How many times the DJ gotta play it?  
How many letters would it take to make you understand? How many times I have to reason?  
Baby, so you'll know that I need ya  
All that I say, how many times?  
Baby, how can I make you realize? How many times?  
How many times?  
Yeah, oh, yeah
