

An Idea (feat. Emmavie, Zacari & Josh J)

IAMNOBODI

Verse 1:

Girl, don't get me wrong
cause I don't wanna be anywhere else, but here
singing this song, for you

Bridge:

while i'm right here waiting for you, oh yeah
I just thought I should let you know
while this feeling so fresh and so smooth
I never want to let you go

Hook 2X:

I just had an Idea
and I just want you right here

Verse 2:

Wonder if I could, when our lives so good
cause I just can't find a place in my mind
and I wonder if you see, see the same in me

Bridge:

while i'm right here waiting for you, oh yeah
I just thought I should let you know
while this feeling so fresh and so smooth
I never want to let you go

Hook 2X:

I just had an Idea
and I just want you right here
