

Red clay

Freddie Hubbard

If you told me that you loved me I would feel so proud

Let me hold you honey, I'd holler out loud

Never love another even if I can

Come to me baby I'm a one woman manNow won't you love me baby just to kinda hang around

I'll always love you honey, I'll never let you down

Never love another even if I can

Come to me baby I'm a one woman manWell I'd climb the highest mountain if it reached the sky

To prove that I love you I'd jump off and fly

I'd even swim the ocean from shore to shore

To prove that I love you just a little bit moreAh won't you love me baby just to kinda hang around

I'll always love you honey, I'll never let you down

Never love another even if I can

Come to me baby I'm a one woman manNow won't you love me baby just to kinda hang around

I'll always love you honey, I'll never let you down

Never love another even if I can

Come to me baby I'm a one woman manCome to me baby I'm a one woman man

Come to me baby I'm a one woman man
