

# If I Saw You In a Movie

Heather Nova

Sweet, won't let you go  
Sweet, won't let you goGot an email from you today  
With a poem that you wrote  
I was touched because you felt it  
'Cause I nearly let you goSweet, won't let you go  
Sweet, won't let you goThis long distance has me out of my mind  
But it gives me time to think  
And it gives me room to see you  
In another lightSweet, won't let you go  
Sweet, won't let you go, go  
Sweet, won't let you go, won't let you go  
Sweet, won't let you goAnd I know if I saw you in a movie  
I know, doing all the things you do for me  
I know if I saw you in a movie  
Doing all the things you do, I would fall in love with youSweet, won't let you go, won't let you go  
Sweet, won't let you goAnd I know if I saw you in a movie  
I know, doing all the things you do for me  
I know if I saw you in a movie  
Doing all the things you do, I would fall in love with youSweet, won't let you go, won't let you go  
Sweet, won't let you go, go, won't let you go  
Sweet, won't let you go, won't let you go  
Sweet, won't let you go, won't let you goIf I saw you in a movie  
(I won't let you go)  
If I saw you in a movie  
(I won't let you go)  
If I saw you in a movie  
(I won't let you go)  
If I saw you in a movie  
(Let you go)
