Hold Time

M. Ward

You were beyond comprehension tonight
But I understood, I understood
If only I could hold time
Hold time, hold timeWords have failed me tonight, failed me tonight
But you knew what I meant, you knew what I meant
Yeah, you heard what I said the whole time
The whole time, the whole timeAnd I wrote this song about it
'Cause I didn't care about anyone in this photograph
Yeah, I wrote this song just to remember the endless
Endless summer in your life, endless summer in your life
