## Fishbone

One, two, three, goThe ice was freezin'  
My brother almost drowned  
I jumped in to save him  
On his way, way downThen it went black and I went in  
Oh, what a wonderful life  
The angels told me he'd get his wish  
All my life was a twisted thingWe gonna have a good life  
We gonna have a good life  
We gonna have a good life  
We gonna have a good lifeYou better keep on pushin'  
No matter how broke you are  
'Cause I'm broke down and I'm bankrupt  
And you're ready to end it allWe gonna have a good time  
Rockin' now to this beat  
Just keep rockin' to scoop the pain  
Oh, my God, here comes the painAngel made me numb  
The angel made me void  
Got thrown out of the bar  
Then I wrecked my carGot socked in the jaw  
Cussed out by my Mama  
Someone stole my money  
Screamed at by my honeyThings was gettin' worse  
Things was gettin' worse  
Things was gettin' worse  
Things was gettin' worseWe gonna have a good life  
We gonna have a good life  
We gonna have a good life  
We gonna have a good lifeCome on y'all  
Let's boogie some more  
My brains just hit the floorWe gonna have a good life  
We gonna have a good life  
We gonna have a good life  
We gonna have a good lifeIt's a wonderful life  
It's a great life  
It's a wonderful life  
It's a great lifeIt's so wonderful  
It's fabulous  
Oh, what a life  
Oh, oh, oh what a lifeLord, Lord, what a life

What a life, man, it's a great, great life  
Oh, I can't stand it to you, I can't stand this life  
Take me away, take me, take meTake me now, take me home  
It's a wonderful life, I'm going home  
Send me, to my great, great, great, great life  
My wonderful, wonderful life
