

You Don't Even Know Me

Mocca

It's a hell of a ride
I know it's not easy
But it's worth a try
If you really want it There will be no more surprises
If you don't reach for it
Cause it's worth a try
Then you will achieve it You can't change the way I am
If there's a will
There will be a way Excuse me sir
You don't even know me
Excuse me sir
You don't even know me I will never give up
What I believe You can't change the way I am
If there's a will
There will be a way Excuse me sir
You don't even know me
Excuse me sir
You don't even know me I will never give up
I will never give in
I will never give up
What I believe
