

# Underneath It All (feat. Lady Saw)

## No Doubt & Lady Saw

There's times when I want something more  
Someone more like me  
There's times when this dress rehearsal seems  
Incomplete  
But  
You see the colors in me like no one else  
And behind your dark glasses you're  
you're somethin' else You're really lovely  
Underneath it all  
You want to love me  
Underneath it all  
I'm really lucky  
Underneath it all  
You're really lovely You know some real bad tricks  
And you need some discipline  
But lately you've been tryin' real hard  
And givin' me your best And  
You give me the most gorgeous sleep  
That I've ever had  
And when it's really bad  
I guess it's not that bad You're really lovely  
Underneath it all  
You want to love me  
Underneath it all  
I'm really lucky  
Underneath it all  
You're really lovely  
So many moons that we have seen  
Stumblin' back next to me  
I've seen right through and underneath  
And you make me better I've seen right through and underneath  
And you make me better  
Better, better For real  
'Cause underneath it all,  
You are my real Prince Charmin'  
Like the heat from the fire  
You were always burnin'  
Anytime you're around  
My body keeps callin'

For your touch  
Your kisses and your sweet romancin'  
There's another side to you  
And it's a human I adore  
Aside from your temper  
Everything else secure  
Oh no, you're good for me baby  
Of that, I'm a sure  
'Cause over and over again  
Me want more  
You've used up all your coupons  
And all you've got left is me  
And somehow I'm full of forgiveness  
I guess it's meant to be  
You're really lovely  
Underneath it all  
You want to love me  
Underneath it all  
I'm really lucky  
Underneath it all  
You're really lovely  
Mmm, mmm, mmm  
Underneath it all  
Mmm, mmm, mmm  
Underneath it all  
Mmm, mmm, mmm  
Underneath it all  
Mmm, mmm, mmm  
Underneath it all
