[Verse 1:]
let it go, typical (drama)

i'm livin life (under the spotlight)[Pre-Chorus:]
ima play the play the record tell the dj turn it up
that i met you up right here

i can see my phone my baby aint callin me no more
now i'm in love with the dance floor[Chorus:]
another spotlight
i can see clearer away from the smoke in near us
like temporary escape (with nothin in front of me)
another spotlight (spotlight, spotlight, spotlight)
