Just A Little Bit

Rosco Gordon

Well, I don't want much
Oh, I just want a little bit
Oh, I don't want it all
No, I just want a little bitJust a little bitty bit
Just a teeny weeny bitty of your loveTurn your lamp down low
Honey, slip me a kiss
Turn your lamp down low
I just can't resistOh, just a little bitty bit
Just a teeny weeny bitty of your loveTurn your lamp down low
Honey, slip me a kiss
Turn your lamp down low
I just can't resistOh, a little bitty bit
Just a teeny weeny bitty of your loveI'll love you forever
Not just for peace of mind
Please say you'll never leave me
Until the end of timeJust a little bitty bit
Just a teeny weeny bitty of your loveJust don't hit me
