## Vitamin String Quartet

Red wine and sleeping pills  
Help me get back to your arms  
Cheap sex and sad films  
Help me get back where I belong I think you're crazy, maybe  
I think you're crazy, maybe Stop sending letters  
Letters always get burned  
It's not like the movies  
They fed us on little white lies I think you're crazy, maybe  
I think you're crazy, maybe I will see you in the next life
