

# Yet Again (David August Remix)

## Grizzly Bear

Yet again we're the only ones  
No surprise, this is often how it's done  
Lately it's about all I can take  
I will move and mend and mold this breakShell with another crack  
I'm small but I can keep track  
Too soon, everyone just step away  
I'm sure this isn't the last playTake it all in stride  
Speak, don't confide  
We barely had a case  
It's done before we try  
Stop and end by night  
A desert in your faceTake score, even playing fields this game  
I know when all's said we're the same  
If I could I would leave it all be  
No chance to move backwards and seeTake it all in stride  
Speak, don't confide  
We barely had a case  
It's done before we try  
Stop and end by night  
A desert in your faceTake it all in stride  
Speak, don't confide  
We barely had a case  
It's done before we try  
Stop and end by night  
A desert in your face
