

# Lonely Romance

## Strange Weather

See me in the dark, again.  
My imagination fills my bed.  
The full moon's rising up ahead.  
And these TV stations play its' lonely romance.

Yay, yay, yay, yeah!  
Yay, yay, yay, yeah!

I can't paint these pictures in my head.  
A song could be waiting here for someone else.  
Is it the queue I jump from the belltower?  
Some liberation for my lonely romance.

Lonely romance.  
(Yay, yay, yay, yeah!)  
Lonely romance.  
(Yay, yay, yay, yeah!)  
Lonely romance.  
(Yay, yay, yay, yeah!)  
Lonely romance.  
(Yay, yay, yay, yeah!)

We can be alone together.  
Even if you don't make me better.  
We can be alone together.  
But what if we don't make it better.

So I cast away the warfare.  
Cause my masturbation lasts such lovely endings.  
There's a big full moon above my head.  
And her inspiration is my lonely romance.

Lonely romance.  
(Yay, yay, yay, yeah!)  
Lonely romance.  
(Yay, yay, yay, yeah!)  
Lonely romance.  
(Yay, yay, yay, yeah!)  
Lonely romance.  
(Yay, yay, yay, yeah!)

Lonely romance.  
(Yay, yay, yay, yeah!)
