## **Throw Your Arms Around Me**

## **Crowded House**

Archer-Falconer-Howard-Miles-Seymour-Smith-WatersI will come for you at nighttime I will raise you from your sleep I will kiss you in four places As I go running along your street I will squeeze the life out of you You will make me laugh and make me cry And we will never forget it You will make me call your name And I'll shout it to the blue summer sky And we may never meet again So shed your skin and let's get started And you will throw your arms around me Yeah, you will throw your arms around me I dreamed of you at nighttime And I watched you in your sleep I met you in high places I touched your head and touched your feet So if you disappear out of view You know I will never say goodbye And though I try to forget it You will make me call your name And I'll shout it to the blue summer sky... And we may never meet again... So shed your skin and let's get started And you will throw your arms around me Yeah, you will throw your arms around me Oh... yeah...
