Ghost Town

Auryn

Last chance
Gave me more than one
I turned my back on you, my back on you
Shivers regretting what I've done
I'm still hung up on you, up on you.
I got lost along the way
Can't look back on yesterday
I'd give my all to have you stay
I'm falling down
I think that I'm going crazy
I'm falling down
My soul is pushing daisies
There's no way out
And only you can save me
And I can't turn this around
My heart's stuck in a ghost town
I can't take
His hand upon your waist
It's a chain to my heart
I can't escape.
Don't say there hasn't been a day
You don't think of me
When you lie awake.
I got lost along the way
Can't look back on yesterday
I'd give my all to have you stay
I'm falling down
I think that I'm going crazy
I'm falling down
My soul is pushing daisies
There's no way out
And only you can save me
And I can't turn this around
My heart's stuck in a ghost town.
I got lost along the way
Can't look back on yesterday
I'd give my all to have you stay
I'm falling down
I think that I'm going crazy

I'm falling down
My soul is pushing daisies
There's no way out
And only you can save me
And I can't turn this around
My heart's stuck in a ghost town.
My heart's stuck in a ghost town.
