

# Razor Hoof

## High On Fire

Razor hoof coming down  
Coming down, coming down  
Antlers sharp, sharp to kill  
Trampler unseen Fearless wolf, bring it on  
Bring it down, bring it down  
Weeks without  
Kills for blood Corpse wolf, now raised Razor hoof coming down  
Coming down, coming down  
Antlers sharp, sharp to kill  
Trampler unseen Fearless wolf, bring it on  
Bring it down, bring it down  
Weeks without  
Kills for blood Corpse wolf, now raised
