

True Colors

Gerald Albright

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness, inside you
Can make you feel so small But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow
Show me a smile then Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there
And I'll see your true colors
Shining through
I see your true colors And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow
So sad eyes
Discouraged now
Realize
When this world makes you crazy
And you've taken all you can bear You call me up
Because you know I'll be there
And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show

Your true colors True colors, true colors
Cos there's a shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors, true colors
True colors are beautiful,
Beautiful, like a rainbow
