Lucky Jim

Ian Whitcomb

One line, the one, Lucky, Lucky, Lucky Jim
She needs to be the story at the center of the blast
But all I wanted was a chance to get away
Since 1987, she's been living in my ass
And her instincts are like anyone's instinctsFight the fear of failure
Fight the fear of future failure
Fight the fear of failure
'Cos Jim, you can do anythingLucky, Lucky Jim
She needs to be the story at the center of the blast
But all I wanted was a chance to get away
Since 1987, she's been living in my ass
And her instincts are like anyone's instinctsFight the fear of failure
Fight the fear of future failure
Fight the fear of failure
'Cos Jim, you can do anythingHalf way up the stairs is a good mouse
Half way up the stairs is a good mouse
Half way up the stairs is a good mouse
Half way up the stairs is a good mouse
Half way up the stairs is a good mouseLucky, Lucky Jim, Jim
Lucky, Lucky Jim, Jim
Lucky, Lucky Jim, Jim
Lucky, Lucky Jim, Jim
'Cos you can do anything
