

The Game Needed Me (The Oktopus Remix)

Minus the Bear

We don't have money
So we can't lose it
But you touchin me like piano keys
You can't buy that movement What do we get from
This soft transaction
We know the money lies
And you can't put a price on this brand of action We're all just selling time
You got a lot to lose
The paper's a ticking clock
You got a lot to lose What does it cost for
This life of excess
Would you ever miss your desk's caress There is no mouth to
Trace it's shape on you
You seem to let it fuck you anyway We're all just selling time
You got a lot to lose
The paper's a ticking clock
You got a lot to lose What you got to lose?
