Easy (feat. Natasha Bedingfield)

Rascal Flatts

Verse 1:
We broke up, yeah it's tough, most guys would've been crushed
Wastin' their time wonderin' where they went wrong
No way, not me hey I'm doin' just fine
I'm not afraid of movin' on, it's

Chorus:
Easy...goin' out on Friday nights
Easy...every time I see her out
I can smile, live it up the way a single guy does
But what she, what she don't know
Is how hard it is to make it look so
Easy

Verse 2:
The truth is I miss lyin' in those arms of his
But I don't ever let it show
I laugh and I act like I'm havin' the time of my life
As far as he knows, it's

Chorus:
Easy...goin' out on a Friday night
Easy...every time I see him out
I can smile, live it up the way a single girl does
But what he, what he don't know
Is how hard it is to make it look so
Easy
Oh it's easy

Oh it's easy...goin' out on a Friday night
Oh it's easy...every time I see him out
I can smile
Live it up
Forget about the way it was
But what she
Oh but what he don't know
What she don't know
Is how hard it is to make it look so...easy
Looks so easy
