

Sonja Cries

[stellastarr*](#)

in the night you lose your name again your alive but your ?wall? is creeping in and when you parted with things
you cant live with out and your lost in your heart don't fall apart don't fall apart don't fall apart through the
years reflect a dying cause i believe they built your heart of straw and when your holding in things you just need
to shout and your lost in your heart don't fall apart don't fall apart don't fall apart and sadly i cant afford you
long for your stolen joy Sonja I'm lost inside you eyes Sonja cries when she cant ignore you ?????? pain before
you sometime I'm shocked at what i find Sonja cries Sonja cries Sonja cries
