

# Used

## Master

Pushed aside and left behind  
Used again a second time  
Built my trust and slipped away  
Just to call another day  
Used, Abuse, Misused, You loose  
Erased, Misplaced, Disgraced, You've changed  
A pedestal of godliness  
Pulled the rug under my feet  
Used, Abuse, Misused, You loose  
Erased, Misplaced, Disgraced, You've changed
