

When I Come Around

Green Day

Oh I heard you cryin' loud
All the way across town
You've been searching for that someone
And it's me out on the prowl
As you sit around feeling sorry for yourself Well don't get lonely now
And dry your whining eyes
I'm just roaming for the moment
Sleazing my backyard so don't get so uptight
You've been thinking about ditching me No time to search the world around
'Cause you know where I'll be found
When I come around Oh I heard it all before
So don't knock down my door
I'm a loser and the user
So I don't need no accuser
To try and slag me down because I know you're right So go, do what you like
Make sure you do it right
You may find out that yourself doubt
Means nothing was ever there
You can't come forcing somethin' if it's just not right No time to search the world around
'Cause you know where I'll be found
When I come around No time to search the world around
'Cause you know where I'll be found
When I come around Oh, when I come around
Oh, when I come around
When I come around
