Lonely Life

Later That Night...

Hey you, what is wrong?
God, I hate to see you low, let me amuse you
I know what you need, yeah, I'm gonna make you glow
You better believe it's true

There's no time for digging holes
Put your trust in me

'Cause I know, I know a way to make it right
I know you gotta get away tonight
There's no excuse, you have got nothing to lose
I know, I know that all you need is

Hey you, what's going on?
Is that the one I used to know? Keep it together
Hey there, come along, I know a place where we can go
It's gonna be so much fun

There's no reason being sad
Put your trust in me

'Cause I know, I know a way to make it right
I know you gotta get away tonight
There's no excuse, you have got nothing to lose
I know, I know that all you need is

Look at me, you're not a hopeless case
I can see it in your eyes
Yeah, look at me and let me wipe those tears
Now it's gonna be alright, yeah, it's gonna be alright

'Cause I know, I know a way to make it right
I know you gotta get away tonight
There's no excuse, you have got nothing to lose
I know, I know that all you need is

'Cause I know, I know a way to make it right
I know you gotta get away tonight
There's no excuse, you have got nothing to lose
I know, I know that all you need is
