

Bound

Hot Water Music

been dragging for so long (do i care) trying to find my way (is this fair) full of mistakes i'll make again (should i wait) got my head up my ass find it there day after day never know what i'm heading for (see it through) they have too many questions and i don't have any answers i just got a headache another drunk i got the beat down
babe i got the sickness i got it all but i got it flooredoyalty
