All I Ask Of You

Jackie Evancho

No more talk of darkness
Forget these wide-eyed fears
I'm here, nothing can harm you
My words will warm and calm you
Let me be your freedom
Let daylight dry your tears
I'm here with you, beside you
To guard you and to guide you
Say you'll love me
Every waking moment
Turn my head
With talk of summertime
Say you need me
With you, now and always
Promise me that all you say is true
That's all I ask of you
Let me be your shelter
Let me be your light
You're safe, no one will find you
Your fears are far behind you
All I want is freedom
A world with no more night
And you always beside me
To hold me and to hide me
Then, say you'll share with me
One life, one lifetime
Let me lead you
From your solitude
Say you need me
With you here beside you
Anywhere you go let me go too
Love me, that's all I ask of you
Stay each day with me
Each night, each morning
Say you love me, you know I do
Love me, that's all I ask of you
