I'mma drop the top when I buy me a fast car  
Kidnap this fuck nigga for some ransom  
And if his mouth moving, my gun dead some

You can call me SammyFake ass niggas that's a shit I don't like  
Kilogram flow, that's the shit I don't write  
All these fucking games, that's that shit I don't play

And the barrel look like a Campbell's soup can  
Banana clips in the closet like a fruit stand  
Talkin' 36 O's and I'm the OG  
One time I sit and watch a nigga snort a whole key  
Muzzle on the rottweiler, flash no bang  
Spent a hundred grand one ring, no chain  
Got em pitchin' wild 100's, keep it 300  
Man that head so good bought her a 300
