Say it tast allright  
And it gets \_\_\_\_  
Are you in Let it burn in whatever Feels like you're falling  
but it passes in time  
into a better day  
Feels like you're falling  
but it passes in your mind  
into a better day  
Feels like you're falling  
but it passes in time  
into a better day  
our hearts  
our heads So you \_\_ fun  
Do you tell it's all. So are you ready?  
Let it burn through colours  
Feels like you're falling  
but it passes in time  
into a better day  
Feels like you're falling  
but it passes in your mind  
into a better day  
Feels like you're falling  
but it passes in time  
into a better day  
our hearts  
our heads
