## Daisuke Minamizawa

I know that you're hiding things  
Using gentle words to shelter me  
Your words were like a dream  
But dreams could never fool me  
Not that easily I acted so distant then  
Didn't say goodbye before you left  
But I was listening  
You'll fight your battles far from me  
Far too easily "Save your tears 'cause I'll come back"  
I could hear that you whispered as you walked through that door  
But still I swore to hide the pain when I turn back the pages  
Shouting might have been the answer  
What if I'd cried my eyes out and begged you not to depart?  
But now I'm not afraid to say what's in my heart  
Though a thousand words  
Have never been spoken  
They'll fly to you  
Crossing over the time and distance holding you  
Suspended on silver wings  
And a thousand words  
One thousand confessions  
Will cradle you  
Making all of the pain you feel seem far away  
They'll hold you forever  
The dream isn't over yet  
Though I often say I can forget  
I still relive that day  
You've been there with me all the way  
I still hear you say "Wait for me, I'll write you letters"  
I could see how you stammered with your eyes to the floor  
But still I swore to hide the doubt when I turn back the pages  
Anger might have been the answer  
What if I'd hung my head and said that I couldn't wait?  
But now I'm strong enough to know it's not too late  
'Cause a thousand words  
Call out through the ages  
They'll fly to you  
Even though I can't see, I know they're reaching you  
Suspended on silver wings  
Oh, a thousand words  
One thousand embraces  
Will cradle you  
Making all of your weary days seem far away  
They'll hold you forever  
Oh, a thousand words
