Anything

Third Day

I can't do anything
I can't do anything without You
But You can do everything
You can do everything You wantAnd I just can't believe
I can't believe that You would love me
And after everything
After everything I've doneThen I want to love You
Love You more than life itself
And I want to hold You
Even though You can't be heldBecause You're so much more
Than anything I've ever known
Anything, anythingI'd give anything
I would give anything to hold You
I want to live for You
For You alone, I want to liveWhen I see Your face
I would do anything to know You
You gave everything
You gave all You have to giveThen I want to love You
Love You more than life itself
And I want to hold You
Even though You can't be heldBecause You're so much more
Than anything I've ever known
Anything, anything, anythingThen I want to love You
Love You more than life itself
And I want to hold You
Even though You can't be heldBecause You're so much more
Than anything I've ever known
AnythingHalle, Hallelujah!
Halle, Hallelujah!
Halle, Hallelujah!
