Fire Away

Chris Stapleton

Honey load up your questions
And pick up your sticks and your stones
And pretend Iâ€™m a shelter for heartaches that donâ€™t have a home
Choose the words that cut like a razor
And all that Iâ€™ll say is

Fire away
Take your best shot
Show me what you got
Honey, Iâ€™m not afraid
Rear back and take aim
And fire away

Well, I wish I could say
That Iâ€™ve never been here before
But you know and I know
That Iâ€™ll always come back for more
Your love might be my damnation
But Iâ€™ll cry to my grave
