

# Fire Away

[Chris Stapleton](#)

Honey load up your questions  
And pick up your sticks and your stones  
And pretend Iâ€™m a shelter for heartaches that donâ€™t have a home  
Choose the words that cut like a razor  
And all that Iâ€™ll say is

Fire away  
Take your best shot  
Show me what you got  
Honey, Iâ€™m not afraid  
Rear back and take aim  
And fire away

Well, I wish I could say  
That Iâ€™ve never been here before  
But you know and I know  
That Iâ€™ll always come back for more  
Your love might be my damnation  
But Iâ€™ll cry to my grave
