I Do Believe

[Steven Curtis Chapman](#)

Sitting in a traffic jam, 11:52 pm
Just a few miles south
Of Cincinnati, Ohio
I take my pen and start to write
The thoughts that fill my head tonight
Nothing terribly profound
Just these simple words that keep my heart anchored down
They keep my restless heart anchored downI do, I do, I do, I do believe
I know, I know, I know, I know it's true, yeah
I do, I do, I do, I do believe
Lord I believe in you
I believe in youNow these can be confusing times
The skeptics, fools, and nice wives
It's hard to see the light
Through all the shadows of the doubt
But you keep saying all the while, it takes the vision of a child
Looking through the eyes of faith to see reality
So once again I will say
I believe you're the light, you're the truth, you're the wayI do, I do, I do, I do believe
I know, I know, I know, I know it's true, yeah
I do, I do, I do, I do believe
Lord, I believe in youAnd if this faith in you is blind
It's not to anything that's true
'Cause your love opens up my eyes
To see that everything I need
Is found when I believe in youI do, I do, I do, I do believe
I know, I know, I know, I know it's true, yeah
I do, I do, I do, I do believe
Lord, I believe in youI do, I do, I do, I do believe
I know, I know, I know, I know it's true, yeah
I do, I do, I do, I do believe
Lord, I believe, I believe
Lord, I believe in you, yes I do(I do, I do, I do, believe)
I do, I do, I do, I do believe
I do, I do, I do, I do believe
(I do, I do, I do, believe)
I believe in you, yeah
(I do, I do, I do, believe)
