# Love Sweet Love

## Lynn Miles

Youâ€™re livinâ€™ in the city, cool as it can be
The future looks like roses, as far as you can see
Youâ€™ve got a perfect life, youâ€™ve got a perfect view
Now all you want is someone you can say I love you to

Oh love, sweet love
Oh love, sweet love

Courage is the answer, itâ€™s simple and itâ€™s clear
Thereâ€™s no love without courage, thereâ€™s no courage without fear
So take a deep breath, cuz the truth is pushinâ€™ through
And all you want is someone you can say I love you to

Oh love, sweet love
Oh love, sweet love
Oh love, sweet love
Oh love, sweet love
