

# Crush

## Gavin DeGraw

When my pass came in,  
You dropped the ball  
It didn't change the way I feel  
And I was wishing  
I'd break down your walls  
The kiss will know if lips stay still  
There is a line I crossed  
And when you missed  
I lost  
I'm not a loser  
Girl, you know that  
I'll be back again

My dear, I went for the steal  
Maybe it was rushed  
Oh my crush,  
I've gotta crush

I suppose that I could hold it in  
But you excite my every cell  
Sources say that senses  
Are your friends  
My senses say that I  
Should tell  
you that I'm not  
ashamed, You might just feel  
the same,  
But you have to try it  
If you're ever really gonna know

My dear, I went for the steal  
Maybe it was rushed  
Oh my crush, I've gotta crush

I want to  
I need to  
I have to have you  
You're so much to touch  
Girl, you're too much  
And I can't control it

You've got me all over the road

My dear, I went for the steal

Maybe it was rushed

Oh my crush

Damaging my soul

You blew me off,

But I don't mind

I just get better with time

And so do you

So do you

So do you

My crush
