sick boy

Kill Hannah

oh there he goes again
high like a zeppelin
big eyes and under fedshe took him by the throat and said
i love you, sick boy, yeah
i love you, sick boy, yeahhis heart gets what it needs
from shooting antifreeze
laid out beside the bedshe took him by the throat and said
i love you, sick boy, yeah
i love you, sick boy, yeahyou are the real one
my s-i-c-k love
they begged me to avoid
my s-i-c-k boymy s-i-c-k boy
my s-i-c-k boy
my s-i-c-k boy
my s-i-c-k boy
my s-i-c-k boy
my s-i-c-k boy
my s-i-c-k boy
my s-i-c-k boy
