

The Knowing

The Weeknd

I know what you did
I know
So I'ma let you taste her
I ain't washing my sins
I ain't washing my sins Now we're lying about the nights
Hiding it all behind the smiles
Take a look at what you did
You probably thought that you'd break my heart
You probably thought that you'd make me cry
But baby it's okay
I swear it's okay 'Cause I know everything
I know everything
I know everything
I know everything Now these tops don't twist like they did before
Tried to keep you out
And you are done
But baby it don't hurt
Oh, like you thought it would
The more of you the merrier Now we're lying about the nights
Hiding it all behind the smiles
Take a look at what you did, hey
You probably thought that you'd break my heart
You probably thought that you'd make me cry
Baby it's okay
It's okay I know everything
I know everything
I know everything
I know everything
