

# Such a Fool (OST Rock'n'Rolla)

22-20s

Don't you know you're such a fool  
To keep on acting like you do  
Don't you know you're such a fool  
To keep on acting like you do  
You're a fool to play things cool  
When you've got everything to lose You hurt the ones you love the most  
Every time you lose your head  
Hurt the ones you love the most  
Every time you lose your head  
Well you shoot them down when they're too close  
And you've lost another friend Told the girl you love the best  
She could never get inside of you  
Told the girl you love the best  
She could never get inside of you  
And you started to regret  
And you began to think things through Lord what a stupid thing to do  
What a stupid thing to do  
Lord what a stupid thing to do  
What a thing for me to do  
What a thing for me to do  
Lord what a stupid thing to do  
What a thing for me to do
