

Easier To Run

Linkin Park

Its easier to run
Replacing this pain with something more
Its so much easier to go
Than face all this pain here all aloneSomething has been taken from deep inside of me
The secret Ive kept locked away, no one can ever see
Wounds so deep they never show, they never go away
Like moving pictures in my head for years and years, theyve playedIf I could change I would take back the pain
I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
If I could take all the shame to the grave I wouldIf I could change I would take back the pain I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
I would take all my shame to the graveIts easier to run
Replacing this pain with something numb
Its so much easier to go
Than face all this pain here all aloneSometimes I remember the darkness of my past
Bringing back these memories, I wish I didnt have
Sometimes I think of letting go and never looking back
And never moving forward so theres never be a pathIf I could change I would take back the pain I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
If I could take all the shame to the grave I wouldIf I could change I would, take back the pain I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
I would take all my shame to the graveJust watching in the sun
All of my helplessness inside
Pretending, I dont feel misplaced
Its so much simpler to changeIts easier to run
Replacing this pain with something numb
Its so much easier to go
Than face all this pain here all aloneIts easier to run
If I could change I would take back the pain I would
Retrace every wrong move that I made
Its easier to goIf I could change I would take back the pain I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
I would take all my shame to the grave
