

Hungry for Your Love

[Van Morrison](#)

I'm hungry for your love
I'm hungry for your love
I'm hungry for your love
But I can wait now I'm on the telephone
And I am all alone
I'm on the telephone
And we're connected I got such a lot of love
I wanna give it to you
I got such a lot of love
I wanna give it to you
I got such a lot of love
I wanna give it to you And though we're far apart
You are here in my heart
And though we're far apart
You're part of me now And after all the years
And after all the tears
And after all the tears
There's just the truth now I got such a lot of love
I wanna give it to you
I got such a lot of love
I wanna give it to you
I got such a lot of love
I wanna give it to you Well, I'm hungry for your love
Hungry for your love
Well, I'm hungry, yeah
Well, I'm hungry for your love now I love you in buckskin, yeah yeah
I love you in buckskin, yeah yeah
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you now I'm hungry for your love
