Let's Get Pretentious

Pete Townshend

Let's get pretentious
Put on an act
Let's get pretentous
Embroider fact
Exaggerate it
Dress up the bland
Let's overrate it
Let the critics be damned
Let's get sensuous
Put on some airs
Let's drink Kailua
And sit bored on the stairs
Let's get excited
When we say hello
Let's be delighted
Though it's nobody we knowI don't know much
But I know what I like
I don't know much
But so and so said such and suchI don't know much
But I know what I like
I don't know muchLet's find a market
For sparkling wit
Let's make a target
Of anyone with a hit
Let's keep some secrets
Let's make them up
Put them together
Then break them upI don't know much
But I know what I like
I don't know much
But so and so said such and suchI don't know much
But I know what I like
I don't know much(guitar solo)I don't know much
But I know what I like
I don't know much
But so and so said such and suchI don't know much
But I know what I like
I don't know muchLet's find a market
For sparkling wit

Let's make a target
Of anyone with a hit
Let's keep some secrets
Let's make them up
Put them together
Then break them upLet's get sensuous
Put on some some airs
Let's drink Kailua's
And sit bored on the stairs
Let's get excited
When we say hello
Let's be delighted
Though it's nobody we knowI don't know much
But I know what I like
I don't know muchI don't know much
But I know what I like
