## The Cult

Na na na  
Na na na  
Na na na  
Na na na All the hip young things trying to make a scene  
Living out forbidden dreams  
Star spangled banner flutters in the sky  
Time hustles those who wait to die Come on little honey  
Come on now, please  
Come on little honey and dance with me Sweet soul sister  
Keep on pushing till the dawn, well  
Sweet soul sister  
Forever dancing on and on Oh, she's a Dior girl, twisting round the world  
Midnight crush boogie scene  
Firm fixed expression, sensual, tender, smooth  
Sexual panther, beautifully cool Come on little honey  
Come on now, please  
Come on little honey and dance with me Sweet soul sister  
Keep on pushing till the dawn, well, well, well  
Sweet soul sister  
Forever dancing on and on, yeah Sweet soul sister  
Keep on pushing till the dawn  
Sweet soul sister  
Forever dancing on and on, yeah (Na na na)
