Best Of Me

Maxi Priest

You've got the best of me
More than I can give
In every part of me
Just for you I liveWe shared our lives together
For so many years
Been through stormy weather
Shared our joys and tearsBut oh this change of feeling
Has got me so confused
Feeling so rejected
Feeling like I'm usedWhat more can I say
What more can I do
Seems I'm wasting my time
Trying to show youYou've got the best of me
More than I can give
In every part of me
Just for you I liveYou've got the best of me
More than I can give
In every part of me
Just for you I liveSeems I've been to hell and back
Only just to please you
And you're still believing
That I don't give a damnYes I've made my mistakes
With no intent to hurt you
Tried so very hard
Just to make you understandWhat more can I say
What more can I do
Seems I'm wasting my time
Trying to show youYou've got the best of me
More than I can give
In every part of me
Just for you I liveYou've got the best of me
More than I can give
In every part of me
Just for you I liveWhoa oh hey
Oh yeah
Very best of me baby, ooh
Can't you see, yeahWhat more can I do
What more can I say
Seems I'm wasting my time

Trying to show youYou've got the best of me
More than I can give
In every part of me
Just for you I liveYou've got the best of me
More than I can give
In every part of me
Just for you I liveYou've got the best of me
More than I can give
In every part of me
Just for you I live
