

Not Used To It

Kehlani

Typical story of an Oakland girl
Typical story heard around the world
Mama on her way, daddy up above
After fourteen I guess I'm mini tough
Used to roll up on the block on the east side
I crack enough forties by the sea side
Lose a nigga every week to a drive by
Whole bookshelf of stories behind these eyes
I don't mean, I don't mean for it to sound so damn common
I don't mean, I don't mean for it to sound like I'm chosen
But when I say it's hard to open up to you
It's hard to get close to you
I want it with everything in me to one day just say I'm in love with you
But I'm not used to it, I'm not used to it,
I am not
I'm not used to it, I'm not used to it, hey
I'm not used to it, I'm not used to it, I am not
I'm not used to it, I'm not used to it (I'm not used to it)
One day, one day, one day
One day, one day, one day
All single mothers in my family
Don't know if you're really understanding me
Never seen a nigga be a real man
I never seen a nigga with a real plan
And I still never been to a wedding
And I just see my family stressing
All the sons grow up with no daddies
In every generation was all just raised on my granny
But now
I don't mean, I don't mean for it to sound so damn common
I don't mean, I don't mean for it to sound like I'm chosen
But when I say it's hard to just side with you
It's hard to confide in you
I want it with everything in me to one day just say that I ride with you
But I'm not used to it, I'm not use to it, I
am not
I'm not used to it, I'm not used to it, hey
I'm not used to it, I'm not used to it, I am not
I'm not used to it, I'm not used to it (I'm not used to it)
One day, one day, one day
One day, one day, one day
Sometimes I pop off 'cause it's hard and I'm used to
Sometimes I pop on cause I have to
Sometimes I run from all my problems
Sometimes I make sure that I solve em
I don't mean, I don't mean for it to sound so damn common
I don't mean, I don't mean for it to sound so damn common but I'm not used to it
But I'm not used to it, I'm not

use to it, I am not (baby, yeah)
I'm not used to it, I'm not used to it, hey (I'm not used to it)
I'm not used to it, I'm not used to it, I am not (baby I'm sorry)
I'm not used to it, I'm not used to it (I'm not, I'm not)Yeah, yeah
One day, one day, one day, one day
Yeah, yeah, hey yeah
'Cause I'm not used to it
