

Consequence

Da Kingpin

Blink and you miss a beat
Keep one of your eyes open at all times
 Think that you're on the brink
The shit hasn't even begun to hit the fan
 Consequence, you'll see, will be
Stranger than a gang of drunken mimes
 Situation has a stink
 Better clear the air before your
 Son becomes a man
Before your son becomes a man
 Yeah, yea
Blink, every thing's been augmented
 You've been left so far behind
 I think, for sure, next time
 You should wear a pair of eyes
 In the back of your head
 Consequence, you've seen
Has been stranger than sci-fi of any kind
 Situation baffles me
 I guess it's true, you too are one of
 The walking dead

You better think fast
 Think fast
 'Cause you never know
What's coming around the bend
 You better not blink
 Oh blink
The consequence is a bigger word than you think
 It's bigger than you or me
 You or me
 You or me
 Bigger than you or me
 You better think fast
 Think fast
 'Cause you never know
What's coming around the bend
 You better not blink
 Oh blink

The consequence is a bigger word than you think
It's bigger than you or me
You or me
You or me
