Revolver (Alternate Acoustic Mix)

The Donnas

Half cocked and fully loaded
Not even trying to sugar coat it
You're aimed to me
but you're shootin' blanks
And it doesn't hurt thanks but no thanksBut it's a matter of time
Till you get yours, and I get mine
It might not be me
But you're gonna answer to
somebody - RevolverYou've got one foot in your mouth,
and one foot in the grave
You were diggin' a hole,
and now you're diggin' a caveBut it's not gonna be so funny anymore
By the time you wake up
sobered up and soreBut it's a matter of time
Till you get yours, and I get mine
It might not be me
But you're gonna answer to
somebody - RevolverI left my comebacks at the door
I didn't know what I was in for
You're deeper than you've
ever been before
You're deeper than you've
ever been beforeYou've got one foot in your mouth,
and one foot in the grave
You were diggin' a hole,
and now you're diggin' a caveBut it's a matter of time
Till you get yours, and I get mine
It might not be me
But you're gonna answer to
somebody - RevolverRevolver
