

Think of You

Advisory - the following lyrics contain explicit language:

You got high off my devotion
We caught as you crutch
Black some sick of potion
I was addicted to your touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay I still think of you
And all the shit you put me through
And I know you were wrong
I still think of you
And all the shit you put me through
And I know now, I know you were wrong You made pain your lover
Infidelity not discrete
I knew you found another
How could I compete
Abusive words cover me like dust
I waited to know for sure
You only give what was lost I still think of you
And all the shit you put me through
And I know you were wrong
I still think of you
And all the shit you put me through
And I know now, I know you were wrong Dark clouds follow you around
Your own worst enemy
You only picked me up to bring me down
Down, down, down, down I still think of you
And all the shit you put me through
And I know you were wrong
I still think of you
And all the shit you put me through
And I know now, I know you were wrong I still think of you
And all the shit you put me through

And I know you were wrong
I still think of you
And all the shit you put me through
And I know now, I know you were wrong
