

# Last Night

Lucy Spraggan

Last Night I told you I loved you,  
Woke up blamed it on the Vodka.  
I genuinely though I was dying,  
And I could see that smile you were hiding.  
Last night I told you I need you,  
That was the last time I drank Tequila,  
Sucking lemon and a sidekick sulking,  
I start crying and verbally assulting,  
Wish I could stop, and I'm not joking,  
I love drinking too much and socially smoking,  
Wish I could stop, start to behave,  
And wake up in the morning and never miss a day again.  
Last Night I asked you to marry me,  
That's when I remembered the Brandy,  
I wake up and claim I didn't say it,  
Screwed if I ever wake up in Vegas.  
Wish I could stop, and I'm not joking,  
I love drinking too much, and socially smoking,  
Wish I could stop, start to behave,  
And wake up in the morning and never miss a day again.

Last Night I called you a loser,  
I think that was after Flaming Zambuka,  
I shouted at you "Do me a favour!"  
That's when, I fell off the pavement.  
Wish I could stop, and I'm not joking,  
I love drinking too much, and socially smoking,  
Wish I could stop, start to behave,  
And wake up in the morning and never miss a day again.  
I'd love to learn when to shut my mouth,  
Wake up in the morning and be in my own house,  
Do one last shot and know when to stop,  
No more photos on Facebook of me doing the robot.  
Know when to leave and when to shut my front door,  
Stop waking up and cheeing in a bed full of people,  
Sitting in the cupboard with my weird Best Friend,  
But I'm only young so I'm not going to pretend!  
I wish I,  
Could stop, and I'm not joking,

I love drinking too much, and socially smoking,  
Don't wanna stop, or learn to behave,  
Amen!  
And hey, I'll just miss another day again!
